

Thank you for purchasing the Ozone faucet, ozone is a naturally produced substance from oxygen atoms and is combined with water to produce ozone water. Our patented technology and mixing of ozone water gives this product a unique place in the public place i.e. hotel, restaurant and hospital. Ozone is three-thousand times stronger than chlorine and can disinfect effectively in a few seconds, remove bacteria, pesticides, odors, keep fruit, vegetables and meat fresher and provide ozone water for cleaning all surfaces.

Product features

Considerate: Large flow volume and limitless usage.

Eco friendly: Natural germicide, no chemical storage required.

Safety: Auto shut off when ozone generator is not in a vertical position.

Convenience: Ozone sterilization operates when turning on taps.

Hi-Tech: Exclusive water-air combination technology.

Stylish: Ozone generator is located under the sink or basin to ensure aesthetic looking of the tap.

Application

eliminate bacteria

maintain freshness

remove pesticide

reduce odors

disinfect tableware

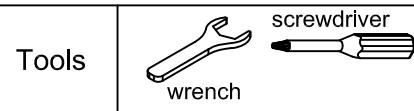

oral hygiene care

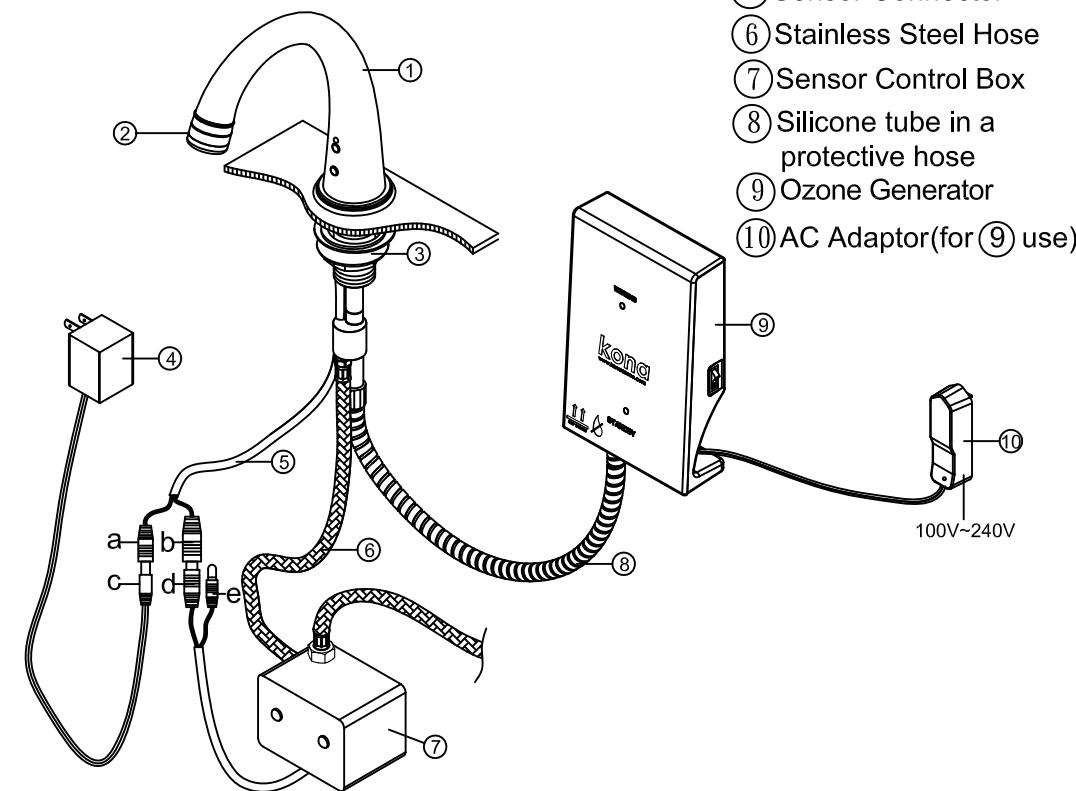

One-year limited Warranty: effective from date of purchase

⚠️ Warranty does not cover:

1. Damage caused by human error or incorrect installation.
2. Unauthorized disassembly or modification of ozone generator.
3. Damage caused by nature disasters.
4. Ozone generator immersed or soaked in water and leading to damaged internal circuit board.
5. Use of non genuine parts.

A Parts Description

Tap Specification

Ozone Sensor Tap(Hot&Cold)

03-SEO-02-CH :

125mm(L)、192mm(H)、ø40±2mm(ID)

Installation Conditions

Water pressure: 2.5kg/cm²~5kg/cm²

Water temperature: 4°C~80°C

Environment temperature: 5°C~50°C

- ① Tap Body
- ② Aerator
- ③ Hex Fixing Nut
- ④ AC Adapter(for ⑦ use)
- ⑤ Sensor Connector
- ⑥ Stainless Steel Hose
- ⑦ Sensor Control Box
- ⑧ Silicone tube in a protective hose
- ⑨ Ozone Generator
- ⑩ AC Adaptor(for ⑨ use)

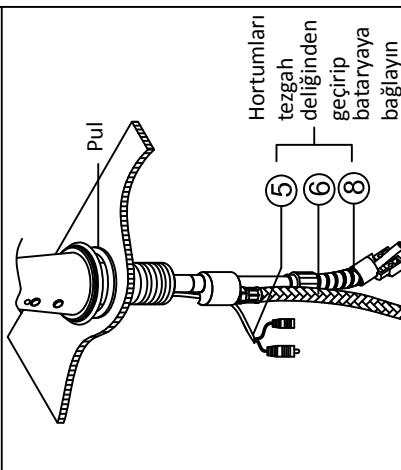

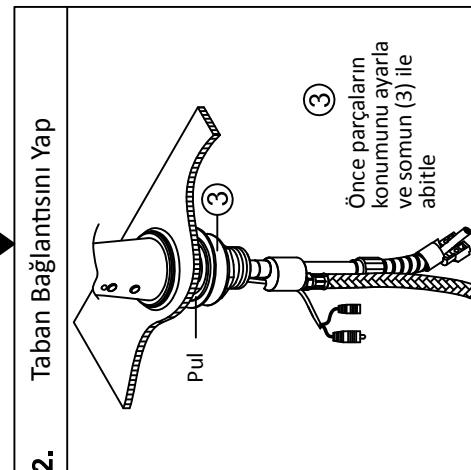

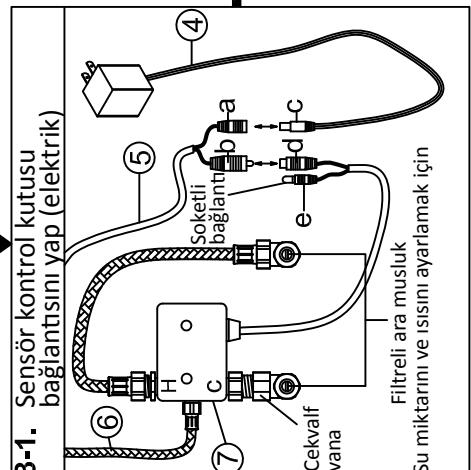

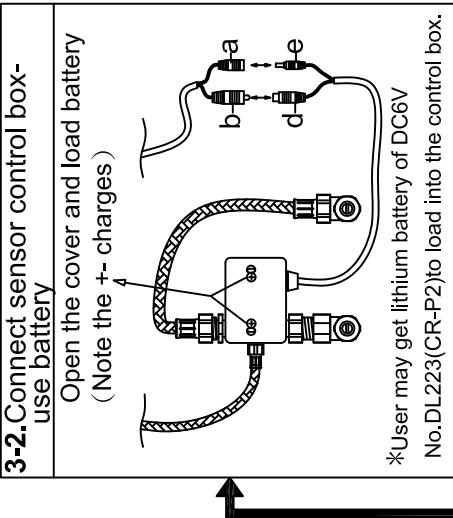

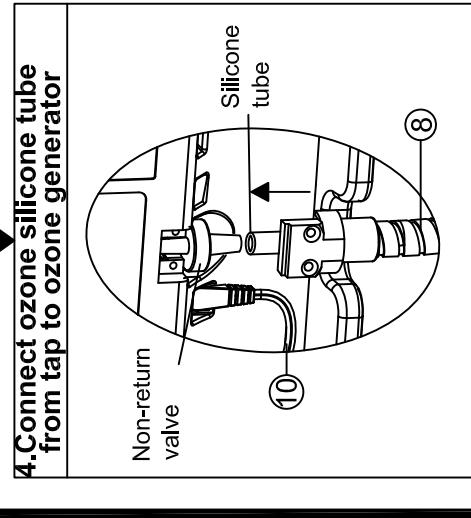

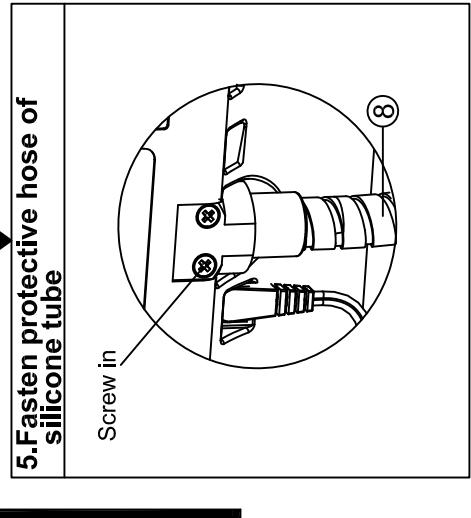

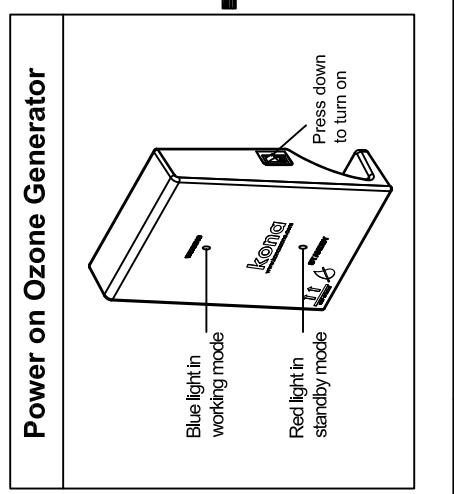

Ozone generator Specification

kona® Green Faucet Ozone Generator CE

Model	OZ-1000
Input Voltage	DC 12V
Power Consumption	6.0W(MAX)
Size(HxWxD)	186x125x42(mm)
Serial Number	see label on generator at backside

NOTICE:Warranty Will Be Invalid With Unauthorized Disassembly
NO.29,Tou Lun Lane,Tou Lun Li,Lukang Town,Changhua 505,TAIWAN
